"Preparing today's students to succeed in tomorrow's world"

Dear Brock:

On behalf of the Mission Viejo High School Student Body and Faculty, I would like to thank you for a wonderful assembly you presented during our Red Ribbon Week.

The feedback I have received from the students has been enthusiastic and positive. The students have commented on how something that seemed harmless and fun at first, turns into a life altering experience with major consequences. Your ability to reach out to our students using humor, hypnosis and life application has made a huge impact.

Thank you so much for a wonderful event and making a difference in our children's lives. Keep up the good work!

Sincerely,

Jeff Starr
Director of Student Activities
